First Edition (February 1995)

The Turtle's Discovery Book provides a tutorial on the Logo language, more specifically MSW Logo 4.0 developed by George Mills. MSW Logo is based on Logo (Berkeley) For Windows, also know as UCB Logo. UCB Logo is copyrighted (© 1989) by the Regents of the University of California. The software may be copied and distributed for educational, research, and not for profit purposes provided that this copyright and statement are included in all such copies.

The Turtle's Discovery Book is a separate copyrighted publication. Members of the Logo Forum are invited to print copies of the book for their personal use. However, no part of this book may be distributed without prior written permission of the author. Specific pages are referenced in the text for readers to copy as desired. Feel free to do so for private or educational use.

The characters of the LadyBug, Logy, the Midnight Turtle, Morf, Mrtle, Shurlook 'olmes, and Dr. Watson are the property of the Young Peoples' Logo Association, now operating as the Logo Forum on CompuServe Information Service, Inc. They may not be reproduced in any form without prior written permission from the author. For additional information, contact The Logo Forum on CompuServe (76703,3005), or write care of 1208 Hillsdale Drive, Richardson, Texas 75081.

Any and all brand or product name mentioned in this book is a trademark or registered trademark of the developing company.
